

**YES!** I want to help  
*“Connect with the Past  
 to Build for the Future”*

by purchasing a brick(s) for the commemorative walk at OHS.

Here's what to do:

**1** Determine the name you want on your brick(s). It may be your name, a family name, the name of someone you want to honor or remember, the name of your graduating class, club, or team; the name of your business or organization, etc.

**For the 4 x 8 bricks, limit yourself to three lines, each line not to exceed 12 characters.**

**For the 8 x 8 bricks, limit yourself to five lines, each line not to exceed 12 characters.**

**2** Use one character per box on the order form. Instead of using the word “and” use the symbol “&”. Hyphens, spaces and punctuation also each require one space.

**3** Fill out the order form and mail it along with your check made payable to OHS ALUMNI

*Your engraved brick will help support plans and preparations for reunions and scholarships.*
